

Wastech Controls & Engineering Inc. Software License

IMPORTANT NOTICE -- READ CAREFULLY: This License For Customer Use of WASTECH CONTROLS Software ("LICENSE") is the agreement which governs use of the software of WASTECH CONTROLS & ENGINEERING INC. ("WASTECH CONTROLS") downloadable herefrom, including PLC ladder logic software, or other industrial software and associated HMI software screens, piping designs, CAD layout drawings, and related process solutions associated with Wastech products ("SOFTWARE"). By accepting a Wastech product with a PLC and HMI screen, downloading, installing, copying, or otherwise using the SOFTWARE in an industrial or laboratory application, you agree to be bound by the terms of this LICENSE. If you do not agree to the terms of this LICENSE, do not turn on the system or use the SOFTWARE.

RECITALS

Use of WASTECH CONTROLS's products requires three elements: the SOFTWARE, for PLC control, the HMI screens or displays and the hardware supplied as a process solution. The SOFTWARE is protected by copyright laws and international copyright treaties, as well as other intellectual property laws and treaties. The SOFTWARE is not sold, and instead is only licensed for use, strictly in accordance with this document. The hardware solution may be protected by various patents, and is sold, but this LICENSE does not cover that sale, since it may not necessarily be sold as a package with the SOFTWARE. This LICENSE sets forth the terms and conditions of the SOFTWARE LICENSE only.

1. DEFINITIONS

1.1 Customer. Customer means the entity or individual that downloads the SOFTWARE. The customer may be an enduser or contractor. The customer may also be a value added resaler or distributor. If a resaler or distributor, the license may be transferred to one additional party when the product is sold to the final enduser.

2. GRANT OF LICENSE

2.1 Rights and Limitations of Grant. WASTECH CONTROLS hereby grants Customer the following non-exclusive, non-transferable right to use the SOFTWARE, with the following limitations:

2.1.1 Rights. Customer may install and use one copy of the SOFTWARE only on the WASTECH CONTROLS supplied hardware, and except for making one back-up copy of the Software, may not otherwise copy the SOFTWARE. This LICENSE of SOFTWARE may not be shared or used concurrently on different PLCs.

2.1.2 Rockwell Software or other third party software Exception. Notwithstanding the foregoing terms of Section 2.1.1, SOFTWARE designed exclusively for use on Allen Bradley hardware using Rockwell software derived from the source code from this or other manufacturers must follow the license restrictions imposed by these manufacturers. Their use licenses are transferred to the enduser and accepted when the WASTECH CONTROLS hardware sale is concluded and the transaction completed.

2.1.3 Limitations.

No Software Modifications are allowed. Customer may not modify or add to the SOFTWARE. For process changes, contact WASTECH CONTROLS and modifications will be quoted as a service project and billed on a labor and material basis.

No Separation of Components. The SOFTWARE is licensed as a single product. Its component parts may not be separated for use on another system or PLC, nor otherwise used separately from the other parts.

No Rental. Customer may not rent or lease the SOFTWARE to someone else.

3. TERMINATION

This LICENSE will automatically terminate if Customer fails to comply with any of the terms and conditions hereof. In such event, Customer must destroy all copies of the SOFTWARE.

Defensive Suspension. If Customer commences or participates in any legal proceeding against WASTECH CONTROLS, then WASTECH CONTROLS may, at its sole discretion, suspend or terminate all license grants and any other rights provided under this LICENSE during the pendency of such legal proceedings.

4. COPYRIGHT

All title and copyrights in and to the SOFTWARE (including but not limited to all code, images, objects, process configurations, and other information incorporated into the SOFTWARE), the accompanying printed materials, and any copies of the SOFTWARE, are owned by WASTECH CONTROLS or its suppliers. The SOFTWARE is protected by copyright laws and international treaty provisions. Accordingly, Customer is required to treat the SOFTWARE like any other copyrighted material, except as otherwise allowed pursuant to this LICENSE and that it may make one copy of the SOFTWARE solely for backup or archive purposes.

5. APPLICABLE LAW

This LICENSE shall be deemed to have been made in, and shall be construed pursuant to, the laws of the State of California. The United Nations Convention on Contracts for the International Sale of Goods is specifically disclaimed.

6. DISCLAIMER OF WARRANTIES AND LIMITATION ON LIABILITY

6.1 No Warranties. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE SOFTWARE IS PROVIDED "AS IS" AND WASTECH CONTROLS AND ITS SUPPLIERS DISCLAIM ALL WARRANTIES, EITHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

6.2 No Liability for Consequential Damages. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL WASTECH CONTROLS OR ITS SUPPLIERS BE LIABLE FOR ANY SPECIAL, INCIDENTAL, INDIRECT, OR CONSEQUENTIAL DAMAGES WHATSOEVER (INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF BUSINESS PROFITS, BUSINESS INTERRUPTION, LOSS OF BUSINESS INFORMATION, OR ANY OTHER PECUNIARY LOSS) ARISING OUT OF THE USE OF OR INABILITY TO USE THE SOFTWARE, EVEN IF WASTECH CONTROLS HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

7. MISCELLANEOUS

If any provision of this LICENSE is inconsistent with, or cannot be fully enforced under, the law, such provision will be construed as limited to the extent necessary to be consistent with and fully enforceable under the law. This LICENSE is the final, complete and exclusive agreement between the parties relating to the subject matter hereof, and supersedes all prior or contemporaneous understandings and agreements relating to such subject matter, whether oral or written. This LICENSE may only be modified in writing signed by an authorized officer of WASTECH CONTROLS. Customer agrees that it will not ship, transfer or export the SOFTWARE into any country, or use the SOFTWARE in any manner, prohibited by the United States Bureau of Export Administration or any export laws, restrictions or regulations.
